--	----	-----

**INSTRUCTIONS FOR COMPLETING BOE-531-A2, SCHEDULE A2 - Long Form  
COMPUTATION SCHEDULE FOR DISTRICT TAX**

**Step 1. Enter taxable sales from return.**

**A1.** Enter the amount from line 16 on the front of your *Sales and Use Tax Return*.

**Step 2. Calculate transactions subject to district tax.**

**A2/A3.** Enter sales of items (excluding vehicles, vessels or aircraft) delivered and used (1) at a location where no district tax is in effect or (2) in a district where you are not "engaged in business" and did not collect the district tax. (See publication 105, *District Taxes and Delivered Sales* for a definition of "engaged in business.")

**A4.** Subtract A2/A3 from A1. Enter the result on A4.

If your line A4 is \$0.00 and you have no adjustments for prior periods, you are finished with your Schedule A2. Enter \$0.00 on line 18 of your return. You may want to call our Taxpayer Information Section at 800-400-7115 to see if you qualify for filing our EZ return (BOE-401-EZ).

**Step 3. Report transactions by district.**

**A5.** Using the total from line A4, list your transactions by the correct districts.

**DO NOT** report the same transactions in both a city and county district. The tax rate for city districts includes **all** county district tax. Report them for the city only.

*Example:* Your line A4 total is \$16,000, which represents:

- Transactions of \$6,000 subject to district tax in Fresno County but not the City of Selma, Reedley, or Sanger.
- Transactions of \$2,000 subject to district tax in the City of Selma. The tax rate for the City of Selma includes district tax for Fresno County.
- Transactions of \$2,000 subject to district tax in the City of Reedley. The tax rate for the City of Reedley includes district tax for Fresno County.
- Transactions of \$2,000 subject to district tax in the City of Sanger. The tax rate for the City of Sanger includes district tax for Fresno County.
- Transactions of \$4,000 subject to district tax in the City of Trinidad, in Humboldt County. These transactions would be reported on the line for the City of Trinidad.

DISTRICT TAX AREAS		A5 ALLOCATE LINE A4 TO CORRECT DISTRICT(S)
<b>FRESNO CO.</b>	<b>099</b>	\$6,000
City of Clovis	<b>100</b>	Discontinued
City of Selma	<b>169</b>	2,000
City of Reedley	<b>177</b>	2,000
City of Sanger	<b>179</b>	2,000
<b>HUMBOLDT CO.</b>		
City of Trinidad	<b>092</b>	4,000

**Step 4. Enter district adjustments.**

**A6/A7.** If you have adjustments for one or more districts, enter amounts in this column. Entries in this column will increase or decrease the amount of tax distributed to districts for which you have adjustments.

Enter the following adjustments by district. (You do not need an entry in column A5 to enter an adjustment in column A6/A7.)

**Note:** Please attach an explanation of any adjustments to your Schedule A2.

**The following examples are positive (+) adjustments:**

- *Claimed deductions that were taxed at a rate lower than the current rate.* If you claimed a deduction on the front of your return for bad debts, tax-paid purchases resold, returned merchandise, or cash discounts and if those transactions were originally taxed at a rate lower than the current rate, add the total for those transactions (by district).
- *Items you purchased without paying district tax.* If you paid state and local sales tax on a purchase, but not district tax, and if you made a taxable use of the item in a tax district, add the price of the item for that district.
- *Amounts collected for a discontinued district.* If you collected taxes for a district that has been discontinued and have not paid those taxes to the Board, add the amounts on which you collected those taxes. Do not enter those amounts on line A5. If a discontinued district is not listed, call 800-400-7115 for assistance.

**The following examples are negative (-) adjustments:**

- *Transactions included in line A5 that represent the sale or use of merchandise before the effective date of a district.*
- *Fixed-price contracts.* Deduct the sales price or lease payments (excluding amounts collected as tax) for qualifying fixed-price contracts. A fixed-price contract is one entered into before the effective date of the district tax, which (1) fixes the amount of the sales or lease price, (2) specifically states the amount or rate of tax based on the rate in effect when the contract was executed, and (3) does not give either party the right to terminate the contract upon notice. (See Regulation 1661 for information on leases of mobile transportation equipment.)
- *Merchandise used outside the district.* If you paid district tax on a purchase and first used the item in a different district, you may need to enter adjustments on A6/A7. Call 800-400-7115 for assistance.
- *Discontinued districts.* If you enter nontaxable amounts on the front of your return for bad debt, tax-paid purchases resold, returned merchandise, or cash discounts, enter the amounts that originally included the district tax that has been discontinued.
- *Bad Debt Lender losses.* Enter the Bad Debt Lender losses claimed on line 10a2, located on the back of your BOE-401-A or BOE-401-GS return. Enter the net amount for the district where the original tax was paid.

*Continued on page 6*

**A8.** Add or subtract each district amount shown in A6/A7 from each district amount on A5. Enter the total for each district amount in column A8.

**A9.** If you enter adjustments in A6/A7 for a transaction taxed at a rate different from the rate shown on A9, call 800-400-7115 for assistance.

**A10.** Multiply A8 by A9. Enter the result in column A10. Based on adjustments in A6/A7, A10 may result in a negative number.

**Step 5. Enter your total district tax due.**

**A11a.** Page 1, enter the subtotal of column A10 on line A11a.

**A11b.** Page 2, enter the subtotal of column A10 on line A11b and on A11b on page 1.

**A11c.** Page 3, enter the subtotal of column A10 on line A11c and on A11c on page 1.

**A11d.** Page 4, enter the subtotal of column A10 on line A11d and on A11d on page 1.

**A11.** Add lines A11a, A11b, A11c, and A11d. Enter this amount on line A11 and on line 18 on the front of your *Sales and Use Tax Return*.
